

Suggested Local Projects

This project list is comprised of suggested projects that resulted from meetings with Council Members and thousands of comments received from the public during three rounds of public meetings, website comments, phone calls and e-mails. These are suggested projects and additional analysis is required to determine the feasibility, scope, budget and limits.

Attached hereto is a DRAFT listing of potential projects which may be funded from bond proceeds to be issued pursuant to the March 2015 bond referendum election. This list is preliminary and has been compiled from a master listing of all needed infrastructure improvements. This preliminary listing is being presented in DRAFT form for discussion purposes only and not as an indication of intention that such list will be the final list within the meaning of O.C.G.A. 36-81-3(d). The final projects will be considered and approved by the City Council.

Attached hereto is a DRAFT listing of potential projects which may be funded from bond proceeds to be issued pursuant to the March 2015 bond referendum election. This list is preliminary and has been compiled from a master listing of all needed infrastructure improvements. This preliminary listing is being presented in DRAFT form for discussion purposes only and not as an indication of intention that such list will be the final list within the meaning of O.C.G.A. 36-81-3(d). The final projects will be considered and approved by the City Council.
