

2015 Infrastructure Project List

Attached herto is a DRAFT listing of potential projects which may be funded from bond proceeds to be issued pursuant to the March 2015 bond referendum election. This list is preliminary and has been compiled from a master listing of all needed infrastructure improvements. This preliminary listing is being presented in DRAFT form for discussion purposed only and not as an indication of intention that such list will be the final list within the meaning of O.C.G.A 36-81-3(d). The final projects will be considered and approved by the City Council.

2015 Proposed Infrastructure Bond Projects - Citywide Projects

| <i>Project Name</i> | <i>Project Description</i> | <i>Impact</i> |
|--------------------------------|--|-------------------|
| Transportation Citywide | | |
| Bridges - General | | |
| Citywide Bridge Improvements | Bridge and structural improvements including construction of new structures and/or structural component modifications | Citywide Projects |
| Bridges - Maintenance | | |
| Bankhead Avenue | Removal of abandoned bridge structure over Southern Railroad between Marietta Street & Northside Drive. | Citywide Projects |
| Bridges - Replacement | | |
| Childress Drive | Replacement of bridge over South Utoy Creek between Key Drive & Cascade Road. | Citywide Projects |
| Courtland Street | Replacement of 106+ year old bridge over Decatur Street & CSX Railroad between Martin L. King, Jr. Drive & Edgewood Avenue. The City of Atlanta is responsible for right of way acquisition and utility relocation. Construction is being funded through GDOT. | Citywide Projects |
| Martin L. King, Jr. Drive | Replacement of 105+ year old bridge over surface parking between Northside Drive & Forsyth Street. | Citywide Projects |
| Nelson Street - pedestrian | Retro-fit of 95+ year old bridge over Southern Railroad between Elliot Street & Spring Street for pedestrian use only. | Citywide Projects |
| Powers Ferry Road | Replacement of 105 year old bridge over Nancy Creek between Pineland Road & Hillside Drive. | Citywide Projects |
| Complete Streets | | |
| Cascade Road/Avenue | The project scope may include milling and repaving, sidewalk & bus stop improvements: bicycle lanes and median/pedestrian refuge islands along Cascade Ave/Rd between Delowe and RD Abernathy Blvd. | Citywide Projects |
| Citywide Complete Streets | Complete Street improvements inclusive of milling, repaving, and installation of pedestrian & bicycle improvements. | Citywide Projects |

Attached hereto is a DRAFT listing of potential projects which may be funded from bond proceeds to be issued pursuant to the March 2015 bond referendum election. This list is preliminary and has been compiled from a master listing of all needed infrastructure improvements. This preliminary listing is being presented in DRAFT form for discussion purposes only and not as an indication of intention that such list will be the final list within the meaning of O.C.G.A. 36-81-3(d). The final projects will be considered and approved by the City Council.

2015 Proposed Infrastructure Bond Projects - Citywide Projects

| <i>Project Name</i> | <i>Project Description</i> | <i>Impact</i> |
|----------------------------|--|----------------------|
| DeKalb Ave | Complete Street improvements inclusive of milling and repaving, sidewalk and ADA ramp repair and installation, reversible lane removal and addition of bicycle facilities along DeKalb Ave between MARTA Inman Park-Reynoldstown Station (Hurt St) and city limit. | Citywide Projects |
| East Paces Ferry Road | Complete Street improvements inclusive of milling, repaving, and installation of pedestrian & bicycle improvements from the Gordon bynum Bridge to Roxboro Road. | Citywide Projects |
| Fairburn Road | Complete Street improvements inclusive of milling, repaving, and installation of bicycle lanes, sidewalks and pedestrian improvements along Fairburn | Citywide Projects |
| Forsyth Street | Complete Street improvements inclusive of milling, repaving, and installation of bicycle lanes, sidewalks and pedestrian improvements along Forsyth Street, from Peachtree Street to Memorial Drive. | Citywide Projects |
| Howell Mill Road | Complete Street improvements inclusive of milling, resurfacing and installation of bicycle lanes along Howell Mill Rd between Collier Rd and W. Marietta St, including streetscape and pedestrian safety improvements | Citywide Projects |
| Joseph E. Lowery Boulevard | Complete Street improvements inclusive of milling, repaving, and installation of bicycle lanes, sidewalks and pedestrian improvements along Joseph E. Lowery Blvd between Joseph E. Boone Blvd and Mitchell St | Citywide Projects |
| Joseph E. Boone Boulevard | Complete Street improvements inclusive of milling, repaving, and restriping to include bicycle lanes along Joseph E. Boone Blvd between Mayson Turner Road and Northside Dr (SR 3/US 41), including sidewalk and pedestrian safety improvements at Joseph E. Boone Blvd at Joseph E. Lowery Blvd | Citywide Projects |

| Howell Mill Road @ Collier Road | Replacement of traffic signal LED's, cabinet, controller monitor, signal wiring, communications, & timing at the intersection. | Citywide Projects |
| Howell Mill Road @ Huff Road | Replacement of traffic signal LED's, cabinet, controller monitor, signal wiring, communications, & timing at the intersection. | Citywide Projects |
| Howell Mill Road @ Peachtree Battle Avenue | Replacement of traffic signal LED's, cabinet, controller monitor, signal wiring, communications, & timing at the intersection. | Citywide Projects |
| Jonesboro Road @ Claire Drive & Sawtell Avenue | Replacement of traffic signal LED's, cabinet, controller monitor, signal wiring, communications, & timing at the intersection. | Citywide Projects |
| Lakewood Avenue @ Claire Drive | Replacement of traffic signal LED's, cabinet, controller monitor, signal wiring, communications, & timing at the intersection. | Citywide Projects |
| Lakewood Avenue @ Fleet Street & Georgia 166 Ramps | Replacement of traffic signal LED's, cabinet, controller monitor, signal wiring, communications, & timing at the intersection. | Citywide Projects |
| Lakewood Avenue @ Macon Drive & Lakewood Way | Replacement of traffic signal LED's, cabinet, controller monitor, signal wiring, communications, & timing at the intersection. | Citywide Projects |
| Lakewood Avenue @ Sylvan Road | Replacement of traffic signal LED's, cabinet, controller monitor, signal wiring, communications, & timing at the intersection. | Citywide Projects |
| Lee Street @ White Oak Avenue | Replacement of traffic signal LED's, cabinet, controller monitor, signal wiring, communications, & timing at the intersection. | Citywide Projects |

Attached hereto is a DRAFT listing of potential projects which may be funded from bond proceeds to be issued pursuant to the March 2015 bond referendum election. This list is preliminary and has been compiled from a master listing of all needed infrastructure improvements. This preliminary listing is being presented in DRAFT form for discussion purposed only and not as an indication of intention that such list will be the final list within the meaning of O.C.G.A. 36-81-3(d). The final projects will be considered and approved by the City Council.

2015 Proposed Infrastructure Bond Projects - Citywide Projects

| <i>Project Name</i> | <i>Project Description</i> | <i>Impact</i> |
|--|--|----------------------|
| Luckie Street @ Pine Street | Replacement of traffic signal LED's, cabinet, controller monitor, signal wiring, communications, & timing at the intersection. | Citywide Projects |
| Macon Drive @ Old Hapeville Road & Bromack Drive | Replacement of traffic signal LED's, controller monitor signal wiring, communication, & timing at the intersection. | Citywide Projects |
| Marietta Boulevard @ Chattahoochee Avenue | Replacement of traffic signal LED's, cabinet, controller monitor, signal wiring, communications, & timing at the intersection. | Citywide Projects |
| Marietta Road @ Perry Boulevard & Johnson Road | Replacement of traffic signal LED's, cabinet, controller monitor, signal wiring, communications, & timing at the intersection. | Citywide Projects |
| Marietta Street @ Andrew Young International Boulevard | Replacement of traffic signal cabinet, controller monitor, signal wiring, communication, & timing at the intersection. | Citywide Projects |
| Marietta Street @ Foundry Street | Replacement of traffic signal cabinet, controller monitor, signal wiring, communication, & timing at the intersection. | Citywide Projects |
| Martin L. King, Jr. Drive @ I-285 N/B Ramp | Replacement of traffic signal LED's, cabinet, controller monitor, signal wiring, communications, & timing at the intersection. | Citywide Projects |
| Martin L. King, Jr. Drive @ Peachtree Street | Replacement of traffic signal LED's, cabinet, controller monitor, signal wiring, communications, & timing at the intersection. | Citywide Projects |
| Martin L. King, Jr. Drive @ Pryor Street | Replacement of traffic signal LED's, cabinet, controller monitor, signal wiring, communications, & timing at the intersection. | Citywide Projects |
| McDaniel Street @ Peters Street | Replacement of traffic signal LED's, signal communications, & timing at the intersection. | Citywide Projects |
